**(For Copyright Infringement - Against All Defendants, and Each)**

15. Ryan repeats, re-alleges and incorporates herein by reference as though fully set forth the allegations contained in the preceding paragraphs of this Complaint.

16. Ryan alleges on information and belief that Defendants, and each of them, accessed the Subject Photograph by, without limitation, viewing the Subject Photograph on Ryan's website or social media profiles, on other sites online, or in Ryan's numerous online profiles. Access is further evidenced by the Subject Photograph's exact reproduction in the Infringing Uses.

17. On information and belief, Ryan alleges that Defendants, and each of them, infringed Ryan's copyrights in the Subject Photographs by, without limitation, copying, reproducing, publishing, and displaying the Subject Photographs in the Infringing Uses for commercial benefit to the public as set forth above, without Ryan's authorization or consent.

18. On information and belief, Ryan alleges that Defendants, and each of them, infringed Ryan's copyrights by creating infringing derivative works from the Subject Photographs and publishing same to the public.

21. On information and belief, Ryan alleges that Defendants, and each of them, have committed acts of copyright infringement, as alleged above, which were willful, intentional and malicious, which further subjects Defendants, and each of them, to liability for statutory damages under Section 504(c)(2) of the Copyright Act in the sum of up to \$150,000.00 per infringement and/or a preclusion from asserting certain equitable and other defenses.

**SECOND CLAIM FOR RELIEF**

Such conduct included, without limitation, publishing and displaying photographs that Defendants knew, or should have known, were not authorized to be published by Defendants; publishing the Infringing Uses on affiliate, third-party, and social media sites; and distributing the Infringing Uses to third-parties for further publication.

24. On information and belief, Ryan alleges that Defendants, and each of them, are vicariously liable for the infringement alleged herein because they had the right and ability to supervise the infringing conduct and because they had a direct financial interest in the infringing conduct. Specifically, Defendants, and each of them, had the ability to oversee the development, publication, and distribution of the infringing imagery at issue. Defendants, and each of them, also realized profits through their respective obtainment, distribution, and publication of the Infringing Uses.

As such, Ryan is entitled to disgorgement of Defendants' profits directly and indirectly attributable to Defendants' infringement of its rights in the Subject Photographs, in an amount to be established at trial.

27. On information and belief, Ryan alleges that Defendants, and each of them, have committed acts of copyright infringement, as alleged above, which were willful, intentional, and malicious, which further subjects Defendants, and each of them, to liability for statutory damages under Section 504(c)(2) of the Copyright Act in the sum of up to \$150,000.00 per infringement and/or a preclusion from asserting certain equitable and other defenses.

30. On information and belief, Ryan alleges that Defendants, and each of them, intentionally removed Ryan’s CMI in violation of 17 USC § 1202(b) before copying, reproducing, distributing, and displaying the Subject Photographs on Defendant’s website and profiles.

31. On information and belief, Ryan alleges that Defendants, and each of them, did distribute, import for distribution, or publicly perform works, copies of works, or phonorecords, knowing that copyright management information has been removed or altered without authority of Ryan or the law, knowing, or, with respect to civil remedies under 17 USC § 1203, having reasonable grounds to know, that it will induce, enable, facilitate, or conceal an infringement of any right under this title.

32. On information and belief, Ryan alleges that Defendants, and each of them, in violation of 17 USC § 1202(a), knowingly and with the intent to induce, enable, facilitate, or conceal infringement provided false copyright management information when they added their own logos and author names, bylines, and attribution to the Subject Photographs within the Infringing Uses.

33. On information and belief, Ryan alleges that Defendants, and each of them knew that they were providing false copyright management information to their copies of the Subject Photographs and distributing copyright management information that was false at the time it distributed its unauthorized copies of the Subject Photographs.

34. Due to Defendants acts of infringement, as alleged herein, Ryan has suffered and will seek to recover general and special damages in an amount to be established at trial, and/or statutory damages and attorneys' fees as provided in 17 USC § 1203.

### Grey Wainscoting and Red Geometrical Wallpaper with Natural Wood Vanity

This bathroom is very eye-catching with the right amount of color preference and harmonious material choices. A large natural wood recessed-panel vanity cabinet is placed in the center with a white quartz countertop and under-mounted double sink, cabinets are very large but it doesn't look heavy because it has an open shelf under the drawers. Walls are covered with gray ship-lapped wainscoting and red linework patterned white wallpaper and the floor is a white hexagonal porcelain tile mosaic. Mirrors, wall lamps, and knobs are black and have sharp geometrical shapes. Lastly, as a small but effective detail, red artificial flowers are used as an accent.
